

# SEVIER VALLEY VETERANS MEMORIAL

The Sevier Valley Veterans Memorial will be located at the Richfield City Cemetery. The Veterans Memorial Committee is thrilled to be able to recognize those men and women who have defended our freedom. A life without freedom is not a life worth living.

These men and women of our military have sacrificed much for us, some even their lives. We now have an opportunity to say thank you to those who have protected our freedoms, by contributing to the construction of a memorial which honors their sacrifice.

Help us recognize any person with ties to Sevier County who is serving, or who has served, in any branch of the U.S. military.

If you have a name to be placed on the monument, \$100 donation per name, please complete the Submission and Donation Form below.
